

Milona-14 for kidneys

A complex of herbal substances rich in arbutin, which provides essential support to the urinary system and contributes to the improvement of its functional state.

Arbutin and a complex of other biologically active herbal substances contribute to:

Mild diuretic effect.

Increased salts solubility.

Elimination of metabolites and excess fluid from the body.

Ingredients: Leaves Of Cowberry, Knot Grass, Burdock Roots, Yarrow, Licorice Roots, Rhizomes and Roots of Elecampane.

Nephrosten solution

100% natural medicine for the treatment of chronic kidney and bladder infections¹ in adults and children from 1 year of age.

- has a diuretic, antispasmodic, anti-inflammatory, and antimicrobial effect.
- reduces the number of recurrent flare-ups².
- prevents the formation of urinary stones.

Ingredients: centaurium herb, lovage roots, medicinal rosemary leaves.

Presentation: 60 tablets or 100 ml bottle.

Recommended use and dosage: Tablets: adults take 2 tablets 3 times a day. School-age children take 1 tablet 3 times a day. The Solution is taken orally, diluted in a little water or washed down with water. Adults take 50 drops 3 times a day. School-age children take 25 drops 3 times a day. Preschool children (over 1 year of age) take 15 drops 3 times a day.

When the exacerbation has passed, the treatment should be continued for 2 to 4 weeks. For full instructions on medical use, see the website www.evalar.ru.

Shelf life: 3 years.

Tea Evalar BIO for kidneys

Helps maintain good functional state of the kidneys and urinary tract.
